Hey Dumbdazza,

You actually have to enter a case in order to claim a Neener Neener she is a Vixatious Litigant, you big dumb ass. Meaning you have to grow a set and accept service to a lawsuit and get "in the game" in order to Play.

You CANNOT declare someone you SUE as a Vixatious Litigant. Geez, how dumb is Dumbdazza Legal Group. You CANNOT respond to other lawsuits in other courts, in documents you file in your case where you sued that litigant. You actually have to file your motion to declare Super Hero Crystal Cox a Vixatious Litigant.

Do you know LAW at all Dumbdazza?

Marc Randazza IS a Vixatious Litigant, and is Above the Law. SO if he Sue ya, you may as well give him what he wants, because Dumbdazza is the Law of this here Land of Free Speech and you best be doing what his dumb ass says to do or else.

Marc Randazza tells a court he wants YOUR Domain Names and with no First Amendment Adjudication, no due process, he simply takes the names and wipes out the FREE SPEECH, he alleges to support.

Marc Randazza defends Free Speech Rights for his PAYING CLIENTS. Yet sues others to suppress theirs. Marc Randazza violated my First Amendment Rights, and the Nevada Courts stand by him regardless of the rights of his victims. You have a constitutional right to say Marc Randazza if you are reviewing Marc Randazza, making fun of Marc Randazza or telling him off. NOPE. See Randazza Legal Group claim... [See More](#)
